We are pleased to inform you that the OVCRE Publication Grant Program is accepting applications for 2019.

Under the DA-BAR funded project titled “Catalyzing UPLB’s Status as a Research University,” OVCRE aims to enhance the university’s publications through providing editorial and monetary assistance to quality but unpublished research.

The Publication Grant Program is open to all faculty, REPS and staff with unpublished thesis and dissertations; as well as unpublished research results from completed projects in the last three years. The Program covers writing and editorial services; journal matching service; and Publication Fee loan of up to ₱ 55,000.00.

We are also offering a maximum of ₱ 180,000.00 for publication costs for a **special issue** of selected Web-of-Science-indexed journals (around 10-12 articles). This special offer is open to any college, institute, interdisciplinary studies center or program of the university.

Application forms and guidelines are available at the downloads section of the RDE Portal ([ovcre.uplb.edu.ph](http://ovcre.uplb.edu.ph)).
