

**OFFICE OF THE VICE CHANCELLOR  
FOR RESEARCH AND EXTENSION**  
UNIVERSITY OF THE PHILIPPINES LOS BAÑOS

---

12 July 2016

MEMORANDUM NO. 21  
Series of 2016

**TO: Deans and Directors**

**FROM:  SUSAN MAY F. CALUMPANG  
Officer-in-Charge  
Office of the Vice Chancellor for Research and Extension**

**SUBJECT: Submission of IPA Articles**

The Office of the Vice Chancellor for Research and Extension is actively exploring avenues in promoting the university's research culture. Popularizing the novelty and quality of UPLB research is one approach to communicate to the diverse public what UPLB can do and can offer with the changing media contexts and environment.

To continuously disseminate UPLB research, OVCRE would like to write popular articles based on the research output and technologies from journal articles of UPLB faculty and staff who were granted the International Publication Award (IPA). The IPA showcases research done by UP faculty, REPS and thesis students to contribute to the body of knowledge in their respective disciplines by publishing in internationally respected journals that are peer-reviewed and adhere to high standards of scholarship.

Selected research from the submissions will be popularized and shall be featured in the RDE Digest or RDE Chronicle and be accessible in the UPLB RDE Portal and OVCRE social media accounts.

In line with this, we would like to request recent awardees of the International Publication Awards to submit the abstract and full-text of your articles through email address [ovcre.uplb@up.edu.ph](mailto:ovcre.uplb@up.edu.ph).

For questions or inquiries, you may contact Regina Mae C. Ongkiko or Lawrence N. Garcia at (049) 536-2354 or VOIP 1515.

Thank you and we look forward to receiving your articles.
