

UNIVERSITY OF THE PHILIPPINES LOS BAÑOS

Office of the Chancellor

14 February 2023

MEMORANDUM NO. 018
Series of 2023

TO : **All REPS**
(Through your respective unit heads)

SUBJECT : **Call for Applications to the 2023 DOST Scientific Career Merit System**

Pursuant to the Call for Nominations for Admission to the Scientific Career System by the National Academy of Science and Technology under the Department of Science and Technology (NAST-DOST), all UPLB Research, Extension, and Professional Staff (REPS) personnel are encouraged to submit applications to the UPLB Scientific Career Evaluation System (SCES) Committee, Office of the Vice Chancellor for Research and Extension (OVCRE) until **28 April 2023**.

The Scientific Career System (SCS) is an institutionalized recognition and reward system co-implemented by the DOST and the Civil Service Commission that confers Scientist rank on qualified researchers in the government service.

The SCS program will help REPS personnel discover the career path that will allow them to advance within their respective areas of expertise and be promoted up to Salary Grade 30.

All applications will be reviewed by the UPLB SCES Committee prior to endorsement to the UP System.

Thank you for your continued support and cooperation.

JOSE V. CAMACHO, JR.
Chancellor
