

University of the Philippines Los Baños
Office of the Vice Chancellor for Research and Extension

11 December 2020

OVCRE MEMORANDUM MCL NO. 007

Series of 2020

TO : ALL COLLEGES AND UNITS

FROM :  **MERDELYN C. LIT, PhD**
Vice Chancellor for Research and Extension

SUBJECT : Updated UPLB Experts List

The Office of the Vice Chancellor for Research and Extension is updating the UPLB Experts List in the RDE portal. The list is a database of the university's faculty, researchers, extensionists, and professional staff who have extensive knowledge on a particular field of expertise.

With the updated UPLB Experts List, we shall provide accessible information on the available experts in the university. It will also help OVCRE facilitate requests for S&T assistance and extension and public service. Through this database, we can connect UPLB experts to different clients, such as students, academic institutions, NGOs, and other government and private organizations.

The expert must be willing to offer technical assistance, expert advice, or share information by being a resource person. They shall also be tapped if there is a need for experts for emergency and quick response activities to calamities and requests from communities.

In this regard, we are encouraging all UPLB faculty, researchers, extensionists, and professional staff who are considered experts in their fields to be part of the updated UPLB Experts List.

Please fill out the form here: <https://bit.ly/3ohMuHv>

Thank you very much for your cooperation.
