OVCRE MEMORANDUM NB NO. 22- 004

Series of 2022

TO : All Deans and Directors

FROM : 
NATHANIEL C. BANTAYAN, PhD *Am*
Vice Chancellor for Research and Extension

SUBJECT : **2022 First Call for ECWRG Proposals**

The Office of the Vice President for Academic Affairs (OVPAA) is now accepting research proposals for funding under the Enhanced Creative Works and Research Grant. The ECWRG Program aims to encourage faculty (from Instructor 4 to Professor) and REPS to undertake research that will lead to publications, exhibitions or performances of creative work or other significant output such as patents, new software, and advanced technologies. To ensure the quality of output, publication or exhibition will be required prior to the full release of the grant, depending on whether the grant is for research or creative work.

In this regard, please be informed that all proposals shall be subjected to technical and administrative review by OVCRE prior to submission to OVPAA. Specifically, technical review shall be undertaken by external evaluators (outside campus unit) as prescribed in the program guidelines. Please refer to the attached table for the minimum qualifications of applicants. Lastly, proponents with pending deliverables under UP System-funded programs (EIDR, ECWRG, Balik PhD, ERF and other programs) will not be considered.

Kindly submit the e-copy of your proposal using OVPAA-ECWRG Forms-5.1-and-5.2 format to the official receiving email address of OVCRE: **documents_ovcre.uplb@up.edu.ph**.

Please take note that the proposal should be endorsed by your respective units and colleges. Deadline of submission shall be **on or before 20 February 2022**. Hardcopy of the proposal shall be required after the evaluation process.
