Sustainable Development Goals (SDGs)		
SDGs, social issues and Ideal future society		
Goals and targets	Check (✓) one of this year's two goals and relevant targets respectively that you can contribute most to through your R&D and social implementation plan.	
	() Goal 14 "Life below Water"	☐ Target 14.1 Prevent and reduce marine pollution ☐ Target 14.2 Restore marine and coastal ecosystem ☐ Target 14.4 Implement science-based management plan to restore fish stocks ☐ Target 14.4 Increase the economic benefits
	() Goal 15 "Life on Land"	☐ Target 15.1 Conserve, restore and sustainable use of terrestrial and inland freshwater ecosystems ☐ Target 15.2 Halt deforestation, restore degraded forests and increase afforestation and reforestation ☐ Target 15.5 Halt the loss of biodiversity and protect the extinction of threatened species
	Indicate the numbers of additional goal(s) and target(s) of the SDGs that you can contribute to through your R&D and social implementation plan. Goal Numbers (), Target Numbers ()	
	* United Nations' official website > Transforming our world: the 2030 Agenda for Sustainable Development https://sustainabledevelopment.un.org/post2015/transformingourworld > Goals and Targets https://sustainabledevelopment.un.org/topics/sustainabledevelopmentgoals	
Social issues to solve	Describe the specific social issues that you want to solve through your R&D and social implementation plan.	
Ideal future society	Describe your vision of an ideal future society in your country or the ASEAN region in connection with your R&D and social implementation plan.	

Science, Technology and Innovation (STI): Phase of Research and Development (R&D)

R&D details					
R&D theme	Keep the title within 25 words.				
Objective, content, and social needs of R&D					
Method, schedule, and outcome of R&D					
R&D duration	() years () months	Start date	YYYY / MM	End date (if any)	YYYY / MM
Achievements in R&D					
Type of achievement	E.g. Publication of a research paper, etc.			Date of achievement	YYYY / MM
Details of achievement					
Innovativeness in R&D					
Features; originality; and scientific and technological significance	Describe the situation of the field of your R&D in your country, considering the current global situation, and identify the features, originality, and scientific and technological significance of your R&D.				

Science, Technology and Innovation (STI): Phase of Social Implementation	
Social implementation plan of R&D	
Specific ideas	Describe how your R&D achievement can be implemented in your country or the ASEAN region, specifying how and with who. Possible collaborators can include not only researchers but the government, corporates, communities, and individuals. Your ideas may be under planning, but specific description is preferred.
Action plan	Describe schedule, location and collaborator, if you have a concrete action plan. The action plan can include not only the commercialization of products as the result of R&D, but also such activities as the promotion of social consciousness, human resource development in S&T, knowledge transfer and skill training, provision of scientific evidence and action proposal to policy makers, transformation of social, economic and institutional systems, and more.
Innovativeness of social implementation plan	
Social significance	Describe why your social implementation plan is innovative. Explain the current situation of social, economic and institutional systems; workstyle and lifestyle; social consciousness; and commonly used technology in your country or the ASEAN region, and describe how your plan can transform this situation and make a positive impact on society. If your plan is still under development, describe your ideas and explain what kind of social innovation is necessary.

Sustainability	
Sustainability of our R&D and social implementation plan	
Sustainability and social impact	Describe how sustainable your social implementation plan is and quantitative (if possible) social impacts your R&D and social implementation plan would bring to realize an ideal society. Also state any relevant goals of the SDGs if any.

Attachments
R&D Introduction Video Create an R&D introduction video (maximum 5 minutes) that illustrates your workplace, experiment, and field study. Upload the video file to Google Drive and indicate the link. Please note that the purpose of the video is to learn about your R&D and your video editing skills will not be assessed. < URL of Google Drive >
Evidence of your achievement in R&D List the evidence of your R&D achievement. If it is a published paper, please indicate the information, including the author, title, publication, volume, year, and pages. Relevant evidence and reference can be included to the list. There is no limitation on the number of the evidences. Submit maximum three PDF files of the listed items as the evidence along with the application form.

Biography				
Award History (List more recent entries first.)				
Name of Award	Organizer	Country	Date YYYY / MM	
Work Experience (List more recent entries first.)				
Name of University / Institution / Organization	Title / Type of work		Country	Period YYYY / MM – YYYY / MM
Educational Background (List more recent qualifications first.)				
Name of University	Degree	Major	Country	Period YYYY / MM – YYYY / MM

You may adjust the form if necessary in order to fill in each item. You may also include pictures and graphs. However, do not change the font size or the application form should not exceed five pages from the section of “applicant details” to “biography.”

Please read the handling of personal information below and check the box if the applicant agrees.

<Handling of Personal Information>

- ✓ The information provided in the application form will only be used for the selection process, result notification and conferment of the award. Limiting the selection process, the selection committee, consisted in Japan, will examine the contents of the application form and other submitted forms.
- ✓ The Hitachi Global Foundation will have a non-disclosure agreement with the selection committee members and this application form as well as other submitted forms will be discarded once the selection process is complete.
- ✓ The information of the awardees, including the name, affiliation and R&D details, will be introduced on the Hitachi Global Foundation's website and SNS and inside and outside Hitachi Group as part of the Hitachi Global Foundation's PR activity. If not selected, all the submitted forms will be discarded.
